

**ORACLE®****CERTIFICATION PROGRAM****Examination Score Report****Satya Vani Bh****Oracle Testing ID: OC1849153****1Z0-808 Java SE 8 Programmer I****Exam Date:** 01/10/2019**Registration:** 347227321**Center ID:** 56021**Your  
Score:** 87%**Passing  
Score:** 65%**Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Apply access modifiers
- Apply encapsulation principles to a class
- Create and manipulate Strings
- Create if and if/else and ternary constructs
- Declare and initialize variables (including casting of primitive data types)
- Declare, instantiate, initialize and use a one-dimensional array
- Define the structure of a Java class
- Know how to read or write to object fields
- Use abstract classes and interfaces

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit [certification.oracle.com](http://certification.oracle.com) and select your certification path to ensure you are aware of all certification requirements.
  - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check [certview.oracle.com](http://certview.oracle.com) to confirm that all completed components are in your profile.
  - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
  - Contact [www.pearsonvue.com/oracle/contact](http://www.pearsonvue.com/oracle/contact) to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
